"*Hellas* is a breath of fresh air, at once scholarly and whimsical, profound and playful. The poets and essayists who contribute to *Hellas* are not afraid of words like 'truth,' 'transcendence,' and 'classic.' It is a harbinger of healing winds."

Conference of Editors of Learned Journals,
Best New Journal of 1991 Awards

"Audacious and jaunty, provocative and innovative. I have been reading through *Hellas* with interest, amusement, and an old-fashioned pleasure. *Hellas* offers a very welcome liveliness and debate."

Anthony Hecht

"*Hellas* is full of vigor, sass and interest. It is well-launched and praiseworthy. I wish it a good voyage."

Richard Wilbur

"*Hellas* is a most worthy journal, and I recommend it highly."

Paul Kristeller
