

## Corrigendum

Daniel Starza Smith reports that, in “The Poems of Sir Henry Goodere: A Diplomatic Edition” (*John Donne Journal* 32 [2012]: 99–164), he accidentally recorded that Prince Charles and the Duke of Buckingham returned to England from Spain in October 1624 (p. 103). The year they returned was 1623, and the dating of Goodere’s “Congratulations to ye Prince newly returned from Spayne” (poem 9 in his edition) should therefore have read “October 1623?”.
